SCOPE

The following Standard Terms and Conditions for Tenders, Proposals, Contracts and Quotations forms part of each Form of Tender, Request for Proposal, Contract, Request for Quotation and they apply in like force for the purchase of materials, supplies, equipment and services. All bid documents called for by The Corporation of The City of Thunder Bay (the City) will bind bidders/proponents to the terms and conditions herein set forth. Any alleged oral agreement or arrangement made by a bidder or contractor with any City department or an employee of the Supply Management Division will be disregarded.

SUBMISSION OF TENDERS/PROPOSALS/CONTRACTS/QUOTATIONS

1. Bid submissions shall be submitted on and in accordance with forms supplied by the Supply Management Division of the City. **Facsimile, Telephone and Electronic** submissions will **not** be accepted unless otherwise specified.
2. Bid submissions are to be sealed in the preprinted City tender envelopes when supplied, and should be addressed to City of Thunder Bay, Supply Management Division, Victoriaville Civic Centre, 111 S. Syndicate Avenue, Thunder Bay, Ontario, P7E 6S4. Bid submission envelopes should reference the tender/proposal number with a description of the tender/proposal as well as the name and address of the bidder.
3. Late Submissions will **not** be considered.
4. By submission of a clear and detailed written notice, the proponent may amend or withdraw its submission prior to the closing date and time. Upon closing time all submissions become irrevocable.
5. All information required on the bid submission is to be included in your offer. Failure to do so may result in disqualification of your offer. Submissions must be signed in **ink** by an authorized official of the bidder's organization. **Unsigned** submissions will not be considered. Minor omissions may be accepted at the sole discretion of the City.
6. Unless stated "**No Substitute**", the use of the name of a manufacturer, brand, make or catalogue designation in specifying an item does not restrict bidders to that manufacturer, brand, make or catalogue designation identification. This may be used simply to indicate the character, quality, and/or performance equivalent of the commodity desired, but the commodity on which offers are submitted must be of such character, quality, and/or performance equivalent that it will serve the purpose for which it is to be used equally as well as that specified. In submitting a bid on a commodity other than as specified, the bidder must furnish complete data and identification with respect to the alternate commodity he proposes to furnish. Consideration will be given to offers submitted on alternate commodities to the extent that such action is deemed to serve the best interests of the City. If the bidder does not indicate that the commodity he proposes to furnish is other than as specified, it will be construed to mean that the bidder proposes to furnish the exact commodity as described in the specifications.
7. Any equipment specified that is identified by a brand name must be authentic Original Equipment Manufacturer equipment containing no third party parts, components or software. It must include support services and warranty depots located in Canada. In addition, where applicable, electronic equipment must come with a valid software license that is eligible to be registered to The City of Thunder Bay.
8. Prices indicated shall be net prices, including delivery charges prepaid by the vendor to the specified delivery location. Terms of payment/prompt payment discount (cash discount) will be taken into consideration as part of the award. Prices quoted must be in accordance with the specified unit of measure.

9. The City is subject to the payment of sales and excise taxes imposed by the federal and provincial government, and such taxes must be shown as separate costs unless otherwise specified.
10. In the event of any discrepancy between the unit price and the extension, the unit price shall govern.
11. The bidder declares that his submission is **not** made in connection with any other bidder submitting an offer for the same commodity or commodities, and is in all respects fair and without collusion and fraud.
12. Tenders and Contracts will be opened and read publicly on the closing date. Bidders may be present or be represented at such openings. Proposals are not subject to public inspection. Proponents' names only will be released.
13. Performance Surety binding the contractor faithfully to fulfill the obligations of his/her submission may be required. Such Surety, when required, should be submitted in the form of a performance bond, satisfactory to the City, or certified cheque as stated in the document.
14. Alterations, erasures, or modification by any means to the original document is not permitted under any circumstances. Tampering with the document will result in your submission being disqualified.
15. The City is not responsible for any cost incurred by the proponent in the preparation of their response to the tender/proposal or attendance at any selection interviews.

SAMPLES

16. Samples, when requested, are to be submitted strictly in accordance with instructions; otherwise the offer may not be considered. If samples are requested subsequent to the opening of submissions, they shall be delivered within three (3) working days following the request unless additional time is granted. Samples must be furnished free of charge and be accompanied by a letter advising whether the bidder desires their return, provided they have not been used or made useless by tests. Samples may be held for comparison with deliveries.
17. Deliveries must have the same identity and quality as the accepted sample submitted, unless approved by the City prior to delivery. The City reserves the right to reject any materials that differ from our specifications or differ from the samples submitted. Rejected materials will be returned at the supplier's expense.
18. When the tender indicates that an item to be purchased is to be equivalent to a sample, failure on the part of the bidder to examine samples shall not entitle him to any relief from the conditions imposed by the bid.

AWARDS

19. The City, unless it otherwise states, reserves the right to award by item, or part thereof, groups of items, or all items of the tender/quotation, and to award contracts to one or more bidders submitting identical proposals as to price; to waive informalities in or reject any or all submissions or accept the submissions deemed most favourable based upon the greatest value of quality, service and price, if in so doing, the best interests of the City will be served.
20. Bids shall not be withdrawn unless the bidder distinctly states in the submission that acceptance thereof must be made within a specified time. Otherwise, the offer is irrevocable for a period of sixty (60) days from the closing date of the tender.
21. A bidder must be prepared, if requested, to present evidence of experience, ability, service facilities and financial standing necessary to meet satisfactorily the requirements set forth or implied in the tender specifications.
22. The City shall not be obligated to any bidder whatsoever until a written agreement in the form of a Contract or Purchase Order has been executed relating to an approved submission.
23. **Invoices** must be submitted to Accounts Payable with a **valid and current purchase order number**.

CONTRACT

24. Each submission will be received with the understanding that a Purchase Order or Contract which states acceptance of the offer to furnish all or any part of the commodities/services described therein shall constitute a contract between the bidder and the City. This contract shall bind the bidder on his part to furnish and deliver the commodities at the prices given and in accordance with the conditions and specifications of said accepted offer, and these Standard Terms and Conditions as provided with the tender/proposal and the City on its part to take delivery of and pay for the commodities at the contract price.
25. The placing in the mail to the address given in his submission or delivery of a notice of award to a bidder shall constitute notice of acceptance of contract. When so requested by the City, the contractor shall execute a formal contract with the City for the complete performance specified therein
26. No alterations or variations of the terms of the contract shall be valid or binding upon the City unless authorized in writing.
27. It is mutually agreed and understood that the contractor shall not assign, transfer, convey, sublet or otherwise dispose of his contract or his right, title or interest therein, or his power to execute such contract, to any other person, firm, company or corporation without the previous written consent of the City.
28. The contract may be cancelled by the City upon non-performance of contract terms or failure of the Contractor to furnish satisfactory performance surety within seven (7) days from date of request, unless otherwise stated in the document.
29. Failure of a contractor to deliver within the time specified, or failure to make replacements of rejected commodities when so requested, will constitute authority for the City to immediately purchase in the open market to replace the commodities rejected or not delivered. On all such purchases the contractor agrees to promptly reimburse the City for excess costs occasioned by such purchases. Such purchases will be deducted from contract quantities. However, should public necessity demand it, the City reserves the right to use or consume commodities which are sub-standard in quality, subject to an adjustment in price to be determined by the City.
30. When commodities are rejected, they must be removed by the Contractor from the premises of the City within five (5) calendar days after notification by the City unless public health and safety requires immediate destruction or other disposal of such rejected delivery in which case the City may take such actions as it deems necessary. Rejected items left longer than five (5) days will be considered as abandoned, and the City shall have the right to dispose of them as its own property.
31. Shipment of goods or commencement of work shall be at risk to the Contractor, if undertaken prior to receipt of a properly executed Purchase Order or Contract.
32. The City reserves the right to remove from eligibility to submit tenders/proposals for an indeterminate period, the name of any bidder for failure to accept a contract, or the name of any contractor for unsatisfactory performance of contract.
33. If at any time during the contract period, the supplier should sell or offer for sale to any other customer, an equal or less quantity of similar contract products of like or better quality, at a lower net price(s) than provided herein, supplier agrees to notify the City and sell same product(s) at the lower price(s) on all deliveries made during the period in which such lower price(s) is effective.
34. The supplier must comply with relevant federal, provincial and municipal statutes, regulations and by-laws pertaining to the work and its performance. The contract shall be governed by and interpreted in accordance with the laws of the Province of Ontario.
35. The Successful Bidder is required to provide the services identified upon The City of Thunder Bay's request and shall also perform such duties in the event of a municipal employee strike or labour disruption.

CONTRACT GUARANTEES

36. The Contractor hereby covenants and agrees:
- (a) To perform Contract in accordance with the specifications under which the Contract is awarded;
 - (b) To save the City, its agents, or employees harmless from liability of any kind for the use of any composition, secret process, invention, article or appliance furnished or used in the performances of the contract of which the contractor is not the patentee, assignee or licensee;
 - (c) To guarantee his products against defective material or workmanship and to repair or replace any damage or marring occasioned in transit;

37. Any equipment delivered must be standard new equipment of the latest model except as otherwise specifically stated in the tender/proposal. Where any part or nominal appurtenances of equipment is not described, it shall be understood that all the equipment and appurtenances which are usually provided in the manufacturer's stock model shall be furnished.
38. Materials and supplies must be new except as otherwise specifically stated in the specifications.
39. Delivery must be made as ordered and in accordance with the tender/proposal. If no delivery instructions appear on an order, it will be interpreted to mean prompt delivery. Burden of proof of delay in receipt of order shall rest with the contractor.
40. Commodities shall be securely and properly packed for shipment according to accepted commercial practice, without extra charge for packing materials or containers, the containers to remain the property of the City unless otherwise stated in the specifications.
41. Where materials are furnished for a specified price per unit of weight, the City reserves the right to require such materials to be weighed on scales designated by it, in which case payment shall be made on the basis of the net weight of the materials furnished.

INSPECTIONS AND TESTS

42. The inspection of all commodities and the making of chemical and physical tests to determine whether or not the specifications are being complied with shall be made in the manner prescribed by the City.
43. Any item which fails in any way to meet the terms of the contract is subject to rejection or on an adjusted price basis, upon mutual agreement.

PAYMENT

44. Where there is a question of non-performance involved, payment in whole or in part against which to charge back any adjustment required will be withheld. In the event a cash discount is involved, the withholding of payment as provided **herein shall not deprive the City from taking such discount.**
45. All charges against a contractor shall be deducted from current obligations that are due or may become due. In the event that collection is not made in this manner the contractor shall pay the City, on demand, the amount of such

charges. Such obligations may include returned products, invoice adjustments, taxes, utilities or any other arrears owed to the City.

FORCE MAJUEURE

46. It is understood and agreed that the contractor shall not be held liable for any losses resulting if the fulfillment of the terms of the contract shall be delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God, or for any other cause not within the control of the contractor and which by the exercise of reasonable diligence, the contractor is unable to prevent. Should the performance of any contract be delayed or prevented herein set forth, the contractor agrees to give immediate written notice and explanation of the cause and probable duration of any such delay and to provide written notice as to when Contract obligations resume. In any case, such delay shall not exceed the length of time of the interruption/disruption.

OCCUPATIONAL HEALTH & SAFETY

47. All work performed under this contract shall be in conformity with the Occupational Health & Safety Act, Regulation 691, R.R.O. 1980 – Chapter 321 and latest revisions thereof and with the Corporate Safety Standards and Policies of the City of Thunder Bay.
